I just looked it up and it is within the Fort Berthold boundary. Looks like it is in Mandaree, or just north of it.

Do you need a map for this?

Subject: Location for Brine Spill

Hi Monique,

Arrow Water had a brine spill from its pipeline in ND. I am trying to find out if the location of the spill is on the Fort Berthold Reservation or state lands. I only have the coordinates in Section, Township and Range. See below.

State: North Dakota
Field name : BLUE BUTTES
County : MCKENZIE
Section : 33
Township : 150
Range : 94

Do you know if this is on the Fort Berthold Reservation? If possible could you please provide the lat/long?

Thanks,

Emilio Llamozas
